SCIENCE & TECHNOLOGY STUDIES HONORS PROGRAM APPLICATION

This application will be accepted during the second semester of the student's junior year. It will not be accepted if any of the three required faculty signatures are missing. To qualify for honors, students must have an overall Cornell cumulative grade-point average of at least 3.00 and a 3.30 cumulative GPA in courses taken for the major. Please attach current transcript and return to 303 Morrill Hall. The application is due no later than May 26, 2020.

Name _____ College _____ Year of grad. _____
Address _____ E-mail address _____ Phone _____

Titled (tentative):
_____

Project description:

Current overall GPA _____

NOTE: Students must enroll in STS 4991/4992, a four credit course, for two semesters. After acceptance of their honors application, a permission code will be generated and sent to you. A grade of "R" will be recorded at the end of the first semester. A letter grade will then be recorded at the end of the second semester.

_____Please check here if you would like your project to be considered for the Trenchard Prize for Undergraduate Research, which supports summer travel for students working on an honors thesis.

Student's signature _____ Date _____
